6. General

6.1 - Substitutions – Teams may use one of the following substitution rules:

6.1.1 - Rotate Substitution Rule - Players simply rotate on/off through positions 1 and/or 4 (serving position or front left position)

6.1.2 - Twelve Substitution Rule - Any player except the libero can sub in for any other player in the match, but once they have subbed in or out, they can only sub again for the same player for the rest of the set. A maximum of 12 substitutions are allowed per set. The exception to this rule is for the libero substitution. Liberos can only sub in for back-row players, cannot serve, spike the ball over the net or rotate into the front-line positions. There must be at least one point played between a libero substituting off for a player and going back on the court for another player. A libero substitution doesn't count as a team substitution.

6.2 - Players must accept the referee's decision with sportsmanlike conduct. Clarification of a decision may be requested only through the team captain.

6.3 - Please be nice to the referees! This is their place of employment and they must be able to do their job without players disputing him / her. If a referee cannot make a decision such as; they could not see where the ball landed; then the point will be replayed.

6.4 - Players must wear shoes on court, bare feet are not allowed.

6.5 - Please keep the courts clean by putting empty drink bottles, rubbish, tape etc. in the bins in the foyer.

6.6 - We will occasionally take photos or a short video for our social pages and website. If you do not want your team to be recorded please let us know.
